On-line Leader Resource Guide

The council's Web site will feature an interactive leader resource guide filled with ideas, suggestions, information and resources, including a Goal Action Planner. This Excel document allows troops to input information about the troop's plans and calculates the necessary income needed per girl and how many boxes of cookies need to be sold to cover expenses.

Hi-Stepper Patch/Pin

If a Girl Scout has an initial order of at least 200 boxes, she will earn a Hi-Stepper Patch/Pin. The patch/pin will be given out when the

cookies are delivered so she can wear it as she delivers cookies to her customers.

Girls will also be entered into a drawing for a prize package. Drawing will be held in mid February, and the winner will be contacted by phone.

Step It Up Celebration

Troops can earn an invitation to an action-packed, fun-filled FREE celebration event on May 5 by completing some

simple steps, which include turning in paperwork, registering troop on time, participating in the cookie sale and Make the World a Better Place Week, and completing healthy living age level awards.

Girls can earn an invitation, regardless of their troop's participation, by selling at least 500 boxes of cookies, and completing healthy living related awards.

More information is available in LeaderLine, on the council's Web site and in the Leader Resource Area kiosk at the Girl Scout Service Center.

2006-2007 Girl Scout Cookie Program Activity Guide

This year the focus is on how the cookie sale relates to the Girl Scout mission: Girl

Scouting builds girls of courage, confidence and character, who make the world a better place.
